

WHY POLYSTICK® UNDERLAYMENTS?

4 billion sq. ft. of dried in homes and counting!

Polystick® Self-Adhered Underlayments, produced by Polyglass U.S.A., are manufactured with ADESO®, a patented Dual-Compound Self-Adhesive Technology which provides for a high temperature weathering surface and an aggressive adhesive compound on the bottom, all which is reinforced with a high strength fiberglass mat.

Material and Labor

We make it, we warrant it!
Extended warranties available to registered contractors.

Florida Made

Made in Florida for Florida.

Water Resistant
